Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Burlington Housing Authority Elevator Modernization project in fiscal year 2025. The entity to receive funding for this project is Burlington Housing Authority located at 65 Main Street, Suite 101, Burlington, Vermont, 05401. The funding would be used for modernizing the existing elevators at South Square, Bishop Place, and Decker Towers, which are designated for low-income seniors and individuals with disabilities, to ensure the elevators meet modern safety standards. The project is an appropriate use of taxpayer funds because it will improve the safety and accessibility of affordable housing.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2) and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
