The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Johnson Public Library Renovation Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Johnson, located at 293 Lower Main Street, Johnson VT 05656. The funding would be used for the renovation and expansion of the Johnson Public Library. The project is an appropriate use of taxpayer funds because it preserves an historic, treasured community resource, protecting it from future flood damage and modernizing library facilities to meet patrons' educational, information access, health care, and community programming needs.

The project has a federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Becca Balint
Member of Congress
