The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Newbury Highway Garage Construction Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Newbury, located at 4982 Main Street South, Newbury, VT 05051. The funding would be used for the construction of a new municipal highway garage. The project is an appropriate use of taxpayer funds because it will expand infrastructure and facilities to improve critical service delivery as Newbury grows to meet state and regional housing targets.

The project has a federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Becca Balint

Member of Congress
