The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Berlin Municipal Garage Modernization Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Berlin, located at 108 Shed Road, Berlin VT 05602. The funding would be used for the construction of a new municipal garage. The project is an appropriate use of taxpayer funds because it will accommodate and protect infrastructure and extend the life of equipment through proper maintenance and storage; improve public works efficiency; ensure safe working conditions for municipal employees; mitigate against flood damage and allow the town to respond to future flooding; and offer multi-use community event space.

The project has a federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Becca Balint

Member of Congress
