The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Burlington Affordable Housing Renovation Project in Fiscal Year 2027. The entity to receive funding for this project is Burlington Housing Authority, located at 65 Main St, Suite 101, Burlington, Vermont 05401. The funding would be used for vital infrastructure improvements, including roof replacement, window replacement, fire safety upgrades, and exterior lead-based paint remediation, at multiple Burlington affordable housing properties. The project is an appropriate use of taxpayer funds because it addresses essential building systems to ensure affordable housing remains safe, healthy, and sustainable for families, seniors, people living with disabilities, and survivors of domestic violence.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(4) and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Becca Balint
Member of Congress
