Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Granville Fire Department Building Upgrade (Granville, VT) project in fiscal year 2026. The entity to receive funding for this project is Town of Granville located at 4157 Route 100, Granville, Vermont, 05747. The funding would be used for bringing water and other basic needs to the Granville Fire Department, which currently operates without running water at its facility. The project is an appropriate use of taxpayer funds because it supports a Fire Department that serves Granville and surrounding towns.

The project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
