Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Berlin for Riverton Village Community Wastewater Project in fiscal year 2026. The entity to receive funding for this project is the Town of Berlin located at 108 Shed Road, Berlin, Vermont, 05602. The funding would be used to provide wastewater treatment for 24 homes in the Village of Riverton, replacing inadequate infrastructure and connecting individual septic systems to the Town of Berlin septic field.

The project is an appropriate use of taxpayer funds because it will provide much needed wastewater capacity to a designated village center with failing residential and commercial systems and underutilized growth potential.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
