The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Highgate for Wastewater Discharge System Construction project in fiscal year 2026. The entity to receive funding for this project is Town of Highgate located at 2996 VT Route 78, Highgate, Vermont, 05459. The funding would be used for Construction of an indirect discharge wastewater system. The project is an appropriate use of taxpayer funds because it will protect drinking water, ground water and surface water.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
