The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Northfield VT Route 12 Bridge Replacement in Fiscal Year 2027. The entity to receive funding for this project is Vermont Agency of Transportation, located at 120 State Street, Montpelier, Vermont, 05603. The funding would be used for replacement of the 100-year-old, two-span town highway bridge with a superstructure rated in poor condition. The project is an appropriate use of taxpayer funds because it is a single access point in the town of Northfield on a heavily traveled state highway that connects community members to critical public services, including schools and medical facilities.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Becca Balint
Member of Congress
