Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Troy for South Pleasant Street Waterline Replacement project in fiscal year 2026. The entity to receive funding for this project is the Town of Troy located at 142 Main St, North Troy, Vermont, 05859. The funding would be used to replace existing unlined iron and asbestos cement water lines serving 132 homes, farms, and businesses. The project is an appropriate use of taxpayer funds because it will protect drinking water with updated infrastructure and improve fire protection.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Becca Balint
Member of Congress
